PROFESSIONAL EXPERIENCE

Project Coordinator

02/2024 – 11/2024

Gocaboo Technologies

- Managed project timelines, schedules, and resource allocation plans using MS Project and Excel to track milestones, ensuring on-time task completion across multiple projects.
- Facilitated seamless communication among sales teams, management, and IT personnel, sharing updates via collaborative platforms, and ensuring a 30% reduction in project delays.
- Compiled and maintained project documentation, including reports, and meeting agendas by leveraging document management systems, enhancing team access to resources by 40%.
- Collaborated with cross-functional teams to support the Project Manager in data gathering, user story development, and test case creation, improving project delivery efficiency.
- Monitored project progress by analyzing key performance indicators (KPIs), using dashboard tools to identify and escalate risks and issues, reducing potential disruptions by 20%.

Administrative Assistant

11/2019 – 04/2022

Danny's Company

- Managed the day-to-day business operations by coordinating tasks and monitoring workflows leveraging Microsoft Teams, ensuring a 20% improvement in operational efficiency.
- Scheduled appointments using calendar management tools like Google Calendar and Outlook, streamlining meeting coordination and reducing scheduling conflicts by 30%.
- Provided technical support and resolved issues using troubleshooting techniques and software tools, resulting in increased office productivity and reduced downtime.

- Organized and maintained physical and electronic filing systems, reducing document retrieval time by 40% and enhancing workflow productivity.

Office Administrative Assistance (Industrial Training)

11/2018 – 11/2019

Industrial Training Fund

- Received and typed memos from various area offices using advanced word processing tools like Microsoft Word, ensuring 100% accuracy and timely submission.
- Cross-referenced certificates of compliance for verification against regulatory requirements, ensuring adherence to standards and minimizing errors in documentation by 25%.
- Registered and allocated new identification numbers to area offices using an organized filing system and database tools, minimizing new office allocation processing time.
- Typed allocation documents and captured the data in a centralized data bank using database management tools, ensuring accurate and seamless record-keeping with 100% data integrity.

KEY ACHIEVEMENTS

- **Project Management and Timeliness:** Successfully managed project timelines and resource allocation, ensuring 100% on-time task completion across multiple projects.
- **Risk Mitigation and Issue Resolution:** Reduced project issues by 25% by proactively monitoring project progress and identifying potential risks to enable timely mitigation.
- **Team Collaboration and Leadership:** Increased team efficiency by 25% and enhanced employee engagement through effective leadership, fostering collaboration.
- **Resource Optimization:** Achieved a 15% improvement in project capacity and throughput by maximizing resource allocation efficiency.
